ONE Launches New Service Between South East India, Mediterranean, and North Europe

18 July 2019 – Singapore – With further development to its existing solid European products, Ocean Network Express (ONE) is excited to announce the launch of a new direct service, the Indian Ocean Service 3 (IO3), which covers South East India, Mediterranean, and North Europe.

The new product will offer new port coverage and boost reliability to a wider range of direct port call options to ONE’s valued customers. It will also further expand ONE’s already comprehensive service offerings and allow its clients to enjoy greater choice while bringing efficiency and additional values to the supply chain. The first sailing of the loop is now expected to start from 26th October 2019.
