# EUA RHQ London pack food hampers and spread festive cheer with Basket Brigade UK

On December 23rd 2022, a team of 7 ONE employees joined Basket Brigade UK at a local high school in London to pack food hampers. These hampers were later delivered by volunteers to families in need across the city, as a wonderful festive surprise. The entire day was filled with dancing and cheer - and lots of hard work!

On December 23rd 2022, a team of 7 ONE employees joined Basket Brigade UK at a local high school in London to pack food hampers. These hampers were later delivered by volunteers to families in need across the city, as a wonderful festive surprise. The entire day was filled with dancing and cheer - and lots of hard work!

The day itself was like no other. Hundreds of people came together with a collective goal to pack and deliver 1,500 food hampers! The ingredients of each hamper were enough to make a traditional English Christmas dinner for a family of 2, 4 or 6 (depending on the size of the basket).

The entire event is built around a simple notion: "One small act of generosity on the part of one caring person, can transform the lives of hundreds". Basket Brigade UK charity is 100% volunteer based, with all crew, leaders and trustees donating their time. We hope to participate again in 2023!
